

# PackMaster®

The BEST pack management system in America just got even BETTER!  
Includes latest BSA advancement changes!

- **ScoutNET and Internet Rechartering and Internet Advancement System compatible!** Submit advancement, recharter, and additional enrollment reports to your council office electronically.
- Fast and easy-to-use! A huge time saver!
- New users can **import personal and advancement data** on members from a ScoutNET export file available from your council to help you get started quicker.
- Import data from ASCII delimited files.
- **Data security! Data is now encrypted** whenever you backup/email your database or upload your database to an FTP site with the DotNet add-on. Protect scout/adult personal data with an encryption password you define!
- Tracks scouts, adults, points of contact, and resource survey data.
- Attach photos of scouts/adults and PackMaster will display the member's photo whenever you update his records. Easily print a unit Photo Directory.
- Tracks medical info, physical exams, insurance info, and emergency contacts.
- Tracks parent and adult leader vehicles.
- Cub Scout advancement rules programmed into the system (helps prevent errors).
- Automatically places completed activity badges under the Webelos badge and Arrow of Light.
- Tracks ALL advancement, from Tiger through Arrow of Light, plus Arrow Points, Compass Points, Academic/ Sports Awards, and Special Awards. **Now also tracks all sub-requirements** for each rank requirement allowing you to track all of these details for each scout's advancement.
- **LDS Faith In God award** w/ associated reports.
- Group entry of advancement: credit Rank Badges, Webelos activity badges, and other awards without having to retrieve each scout one at a time.
- Tracks adult leader training and special awards with group credit options.
- Tracks Pack and Den Awards, plus a unit photo.
- Tracks scout and adult attendance at meetings, outings, and user-defined activity types.
- Tracks fundraisers at the unit and scout/adult levels.
- Archive scouts/adults who leave your unit
- Send email messages from within the program and easily attach reports or data files.
- **"DotNet"** add-on allows you to centralize your unit data on an FTP site so that all users can update the same database. Database manager has full, flexible control over which area (entire pack or just a single den) each leader can update. See our website for details.
- **Hide sensitive data items**, such as SSN, medical info, and driver's license numbers from selected users.
- Now with over 90 reports including:
  - Pack/Den Awards Report w/ Pack Advancement Report (4403), Annual Recharter, Additional Enrollment, Cub/Webelos Den Record, Advancement Summary, Rank Progress reports, Webelos Activity Badge reports, Individual Advancement Records, Have/Need reports on scouts/adults, Activities Calendar, individual scout/adult attendance reports, Tour Permit Assistance, fundraisers, adult phone lists and rosters, adult leader training, **Training Status Details**, pack/den phone lists and rosters, Points of Contact, Pack Vehicles Report, Medical Information, Photo Directory, mailing labels, permission slips, worksheets, MUCH MORE, plus **custom reports!**
- Pack Awards report now includes option to generate **Award Cards** for your Award Ceremony so you won't have to fill them out by hand!
- **Save reports in PDF, HTML or Rich Text** formats.
- Export graduating Webelos to TroopMaster.
- **Backup your unit database directly to CD.**
- New **AutoMailer** allows you to schedule email messages and reminders to be sent at a later date.

And MUCH, MUCH more!

Requirements: Windows 95/98/2000/ME/NT/XP/Vista, and 20MB Hard Drive space.  
One low price provides site license for the entire unit. Unconditional 90 day money-back guarantee!

Only **\$69.95** plus \$5.00 S/H (VA residents add 5% sales tax)

VISA/MC/DISCOVER/AMEX accepted! Orders **MUST** include pack number.

Free evaluation copy available on our website.
