

TroopMaster®

The BEST just got even BETTER! Hundreds of new enhancements!
Includes latest BSA advancement changes!

- **ScoutNET and Internet Rechartering and Internet Advancement System compatible!** Submit advancement, recharter, and additional enrollment reports to your council office electronically.
- Fast and easy-to-use! A huge time saver!
- New users can **import personal and advancement data** on members from a ScoutNET export file available from your council to help you get started quicker.
- **Data security! Data is now encrypted** whenever you backup/email your database or upload your database to an FTP site with the DotNet add-on. Protect scout/adult personal data with an encryption password you define!
- Tracks scouts, adults, merit badge counselors, points of contact, and resource survey data.
- Attach photos of scouts/adults and TroopMaster will display the member's photo whenever you update his records. Easily print a unit Photo Directory.
- Tracks medical info, physical exams, insurance info, emergency contacts, and swimming levels.
- Tracks parent and adult leader vehicles.
- BSA advancement rules programmed into the system (helps prevent errors).
 - Automatically places completed merit badges under the appropriate ranks.
 - Automatically monitors and credits the Position of Responsibility, Service Project, and 2nd/1st Class Activity req'ts.
- Tracks ALL advancement, including ranks, all palms, special awards, training, O/A, Mic-O-Say, Varsity, Venturing, and Sea Scout Awards.
- **LDS Duty to God** award w/ associated reports.
- Tracks adult leader training, special awards, O/A.
- Camping, hiking, backpacking, service projects, meetings, and user-defined activities as well as scout and adult attendance at those activities.
- Tracks **fundraisers** at unit and scout/adult levels.
- Archive scouts/adults who leave your unit. Retrieve those who later return.
- **Send email messages** from within the program and easily attach reports or data files.
- **"DotNet"** add-on allows you to centralize your unit data on an FTP site so that all users can update the same database. Database administrator has full, flexible control over which functional area(s) each leader can update. See our website for details.
- **Hide sensitive data items**, such as SSN, medical info, and driver's license numbers from selected users.
- Now with **over 120 reports**, including:
 - Court of Honor w/ Unit Advancement Report (4403), Annual Recharter, Additional Enrollment, Unit Advancement Status, Board of Review, Have/Need reports on scouts/adults, Target 1st Class, Target Eagle, Individual Advancement and Attendance reports, Varsity/Venturing/Sea Scout reports, Eagle Honor Roll, Activities Calendar, attendance summaries, O/A Eligibility, O/A Membership, adult leader training, **Training Status Details**, Points of Contact, Phone Lists, Tour Permit Assistance, Eagle Application Assistance, Leadership Roster, Medical Info, Physical Exam Status, Permission Slips, Worksheets, Mailing Labels, Fundraiser reports, MUCH MORE, plus **custom reports!**
- Court of Honor report now includes option to generate **Award Cards** for your Court of Honor so you won't have to fill them out by hand!
- **"Blue Cards!"** Now print facsimiles of MB applications.
- **Save reports in PDF, HTML or Rich Text** formats.
- Import scout/adult data from ASCII files.
- Import graduating Cubs from PackMaster.
- **Backup your unit database directly to CD.**
- New **AutoMailer** allows you to schedule email messages and reminders to be sent at a later date.

And MUCH, MUCH more!

Requirements: Windows 95/98/2000/ME/NT/XP/Vista, and 20MB Hard Drive space.
One low price provides site license for the entire unit. Unconditional 90 day money-back guarantee!

Only **\$69.95** plus \$5.00 S/H (VA residents add 5% sales tax)

VISA/MC/DISCOVER/AMEX accepted! Orders **MUST** include unit number.

Free evaluation copy available on our website.
